January - February 2008

"It is necessary for the welfare of the nation that men's lives be based on the principles of the Bible. No man, educated or uneducated, can afford to be ignorant of the Bible."

-- President Theodore Roosevelt

Praise:

- Nine local public schools have asked for a Bible history teacher or want to expand from part time to fulltime. The demand is overwhelming!
- End of the year donations to Bible in the Schools were very generous.
- Some of the classes that have had some problem students have gotten much better.
- A new year, a new semester, and a new quarter brings new hope and fresh approaches.

Prayer:

- Continue to pray for our new school funding initiatives: Red Bank High School, East Ridge Middle School, Brown Middle School, Sale Creek Middle/High School and Signal Mountain Middle/High School. All of these schools need designated donations to have or continue their Bible history classes.
- David Adels will be serving as an interim guidance counselor this semester at Ooltewah Middle School. Pray for his substitute in Bible history.
- As a new semester begins, pray for the students who will be taking Bible history classes. Pray for alert minds to study the Bible.
- Pray for the teachers, as they come back after a break, to have renewed stamina and enthusiasm for teaching Bible history. Pray for them to have: wisdom, knowledge, and discernment in planning lessons and in behavior management.
- Pray for more people in the Chattanooga community to become advocates and supporters.
- Pray for the students whose only contact with the Bible is in the Bible history course.
- Pray that all our teachers will be able to have their own classrooms soon. Attention and behavior seem to be better with consistency of the same classroom.
